

## Gare-Expo. Appeal for Volunteers

2015

We need volunteers to look after our exhibitions in the Centre Ulysse between 3.00 pm and 6.00 pm during each exhibition (Tuesday-Sunday). There will be four exhibitions in the coming year, in May, June, July and September. The job of the volunteer is to open and lock up the building, record the number of visitors, keep an eye on them and handle the cash sale of small items. We will give you detailed instructions about how to do all this and hold training sessions for people new to the job.

The purpose of this form is to ask you to indicate whether you are prepared to volunteer, and if so, for how many 3-hour sessions in the course of the year. Once we have this information we will contact selected individuals a month or so before each exhibition to arrange specific dates, spreading the load as widely as possible.
